'64 AUROREN

EAST AURORA,
NEW YORK

FOREWORD

Time marches on just as we must make our journey from the past into the future. As our high school years near their end, the aurora of our careers begins. Through the 1964 AURORAN, we sincerely hope that you will recall past experiences in learning. These years are but a flicker in the eternal space of time, but even so we must retain our knowledge and experiences for our life in the future.

DEDICATION

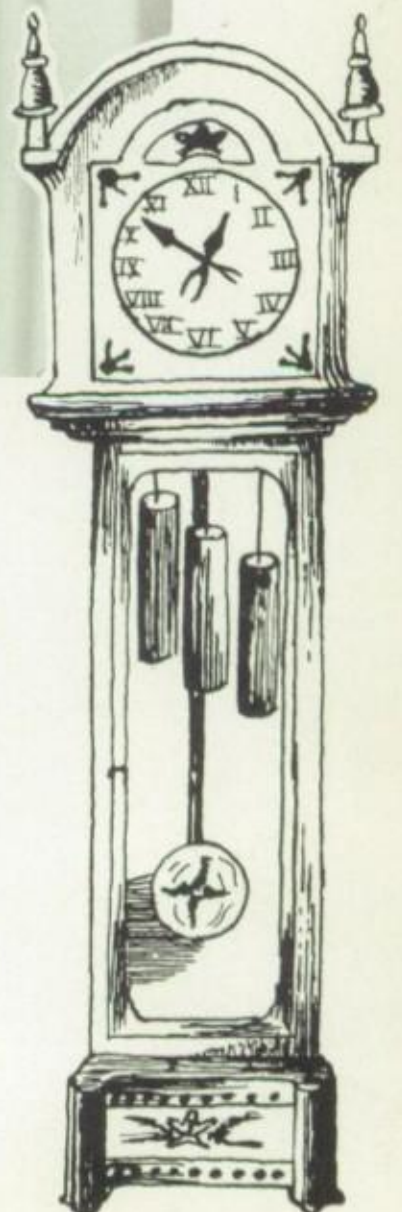

We dedicate this *Auroran* to Mr. Carlo Nisita for his untiring efforts in making this a work of accomplishment. His faithfulness and untiring efforts have helped us to make the yearbook an outstanding publication. He has taught in the East Aurora school system since 1934, including adult education. He has taught at the Gow School and has been an active member of his church. He has served many years as Cross Country coach, and has not only led our teams to victory but has also striven to build a worthy character in each of his athletes. We respectfully dedicate the 1964 edition of the *Auroran* to you, Mr. Nisita.

IN MEMORIAM

We the class of 1964 are deeply sorrowed by the death of Mr. Judson M. Hulbert who passed away on October 27, 1963. Mr. Hulbert was devoted in his career as teacher, as head of the Physical Education Department, and as a friend to all students for thirty-two years at East Aurora High school. This page has been set aside in memory of this great humanitarian.

ADMINISTRATION

Sitting: Mrs. John Dickinson, Mr. Howard E. Elwell, President, Mrs. Mary McCleery. *Standing:* Mr. Donald Davis, Vice President; Mr. Vernon Potter, Mr. Kenneth Love, Mr. Robert E. Kell *Missing:* Mr. W. Richard Ohler, Jr.

BOARD OF EDUCATION

MR. CLARENCE M. GREEN
Superintendent of Schools

To the Class of 1964:

I am pleased to have had the opportunity to take part in your education. It is always a pleasure to work with, and for, young people who accept the responsibility for self-improvement and who value the excellent training that is offered to them.

You have established a fine record as students in this school system, a record that will be difficult to match by those who will follow. Your continued efforts, if directed along the lines that guided your efforts as students, should reward you with self-satisfying accomplishments that will benefit others as they benefit you.

Please accept my best wishes for your every success.

Sincerely,

C. M. Green
Superintendent of Schools

To the Class of 1964:

Who can measure the contributions you have already made for the stream of humanity? You have been loyal and willing to accept responsibilities. You have helped to carry forward the fine traditions of your school. May you be ever mindful of the standards you have set for yourselves and, as you grow in maturity, hold high before you the goals you have set, without which there can be no purpose in life.

Antonio Lancione

Ass't. Superintendent for Instruction

DR. ANTONIO LANCIONE
Ass't. Supt. for Instruction

MR. R. BRUCE McPHERSON
SR. HIGH SCHOOL
PRINCIPAL

A man can be certain of one thing surely: his time to live and serve on this earth is limited. Maxims deposited in books from every age and generation have urged men to use time wisely.

But youthful Americans, facing an avalanche of requests for time and personal commitments, can find little solace in proverbs.

Every young person must decide and discover what he can do well and then spend his time and energies economically in the search for personal happiness and in the work of a free nation and society. Hopefully this generation of students will be able to distinguish the differences between trivia and reality more accurately than its predecessors.

My congratulations are extended to the graduates of the Class of 1964. You will realize only in future days how well your time was utilized at East Aurora High School.

R. B. McPherson

The memories that you take with you as you leave East Aurora High School will not be forgotten in days, weeks, or years. The needs and requirements that we have given you are as important as the memories that you have gained. Your success in future will encourage and stimulate our efforts for the classes that follow.

MR. DONALD L. LAWSON
JR. HIGH SCHOOL
PRINCIPAL

MR. H. LEWIS McNEIL
DIRECTOR OF PUPIL
PERSONNEL

Someone has said "Man's time is his property, it therefore behooveth him to improve it." It is interesting that you have chosen "Time" as your yearbook theme. This is but a start in your life's education. I hope each of you will use the remaining years to improve your personal qualifications and at the same time try to help your fellowman improve his. Life happiness, it seems, is measured not by what you do for yourself but what you do for others. Good luck in your chosen field.

H. Lewis McNeil

CLASS

Come what come may, Time and the hour runs through the roughest day . . . *Macbeth*.

How many of us have ever wondered if we would make it through the day? Well, the Class of 1964 has advanced through thirteen years of hard work and play. Each of us are now ready to attain and fulfill our goals in life. The following are but a few of our experiences which we may retrospect with satisfaction.

Kindergarten was a most enjoyable experience for us when we entered at the ripe old age of five in 1953 and were introduced to our lifelong friends. We happily gained prestige as we were promoted from grade to grade with our "Show and Tell" games in first grade to our operetta, "The Emperor's Nightengale", in sixth grade.

Proudly we entered seventh grade in 1958 and walked, confused, through the maze of halls. We elected Mr. Shindler as our class advisor and Fritz Koch as President. After having survived the excitement of our first year in Jr. High School,

we entered a hectic eighth grade with a little more confidence and chose Dennis Carini as our President along with Mr. Shindler as advisor. Some of our more diligent classmates were inducted into the Jr. National Honor Society.

We spend our years as a tale that is told Psalms XC. 9.

Blithely we entered our final year of Jr. High School, planning many class activities and projects such as selling "victory mums" at the football games. We selected Mr. Birdsall as our new class advisor and Kurt Eller as our President.

With harder work ahead of us we entered our first year of Sr. High School as Sophomores. Along with many other new experiences we were introduced to Biology in which most of the girls—and some of the boys—squeamishly dissected worms, slimy frogs and fish and other various indescribable things. Under the direction of Mr. McPherson we also presented the school with the second annual *Soph Review*, which encouraged self-expression and originality. Chosen as our class officers were Al Cone, Pres.; Terry Sheehan, V. Pres.; Tim Haller, Sec.; Mary Smythe, Treas.

HISTORY

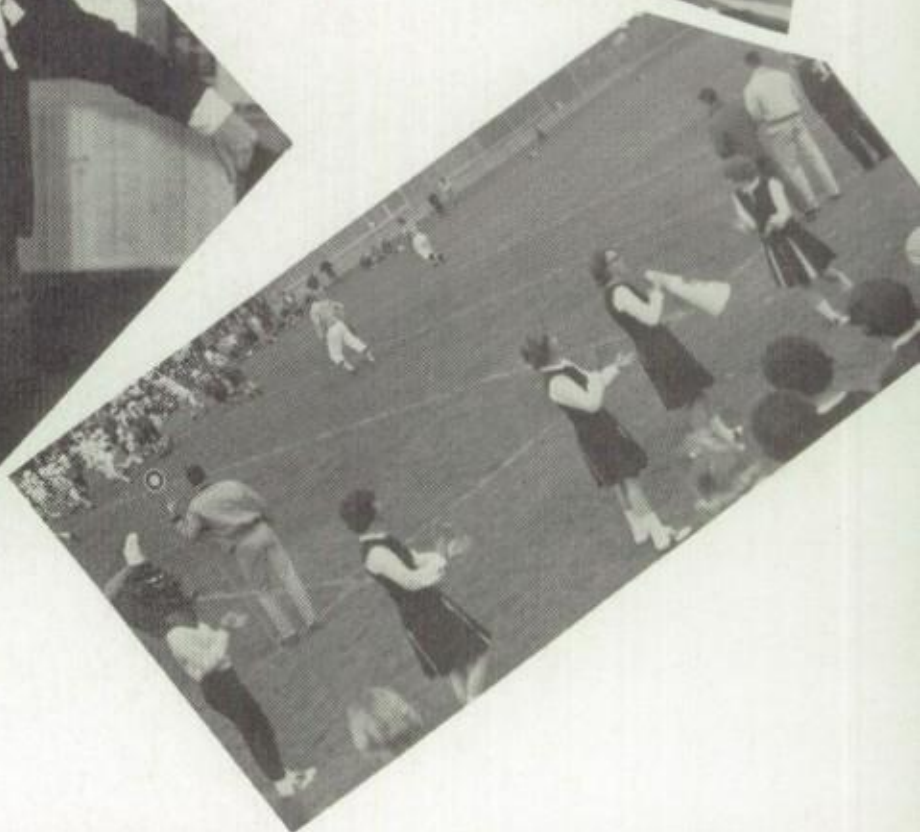

Our Junior year became our busiest and most lucrative year. Under the expert direction of Al Cone as Pres., Terry Sheehan as V. Pres., John Stahl as Sec., and Dave Jordan as Treas., we profitably sold wrapping paper and auto flares. We sponsored the "Sadie Hawkins Dance" in the fall with Tim Buchanan and Silvia Ridriquez as Li'l Abner and Daisy Mae. Our largest and most complicated project of the year was our Junior Play, *The Broom and the Groom*, which proved to be a rioting success with the invaluable aid of Miss Harp. In late spring we sponsored our Junior Prom, "Bon Voyage", with Terry Sheehan and Pam Norris reigning as King and Queen.

We entered our Senior year with a feeling of achievement, and chose two additional class advisors: Mr. W. Klaus to assist Mr. Birdsall and Mr. Nisita as yearbook advisor. Our executive board consisted of Al Cone, Pres., Duane Crawford, V. Pres., Mary Smythe, Sec., Tim Moore, Treas. Our largest fund-raising project was our magazine sale in which we excelled our goal. This year we were honored with six exchange students: Dominique Hornecker from France, A.F.S., Manfred Kern from Germany, I.C.Y.E., Per-Anders Aglert from Sweden, I.C.Y.E., Mariana Varela and Luz Elena Moreno from Columbia, International Fellowship and Mark McCormick was an A.F.S. exchange student to Brazil.

The Class of 1964 has finally accomplished the first phase of its life-time education. This is but a spark in the essence of time.

ACTIVITIES

AURORAN OF

EDITORS— *L. to R.:* Linda Sleeper, administration; Wendy Rhoades, activities; Jeannie Simons, editor; Duane Crawford, sports; Amory Page, co-editor; Sue Siedler, copy.

The 1964 *Auroran* was begun in the spring of 1963. On the completion of the trial dummy book, the actual layouts of various pages began. As time progressed, variations, and in some places, complete changes arose and took precedence over old ideas. In the fall of 1963 the editors were chosen and the final stages of production developed. The general staff has been the largest yet to produce the East Aurora High School yearbook.

Mr. Nisita, our advisor, synchronized the staff according to schedule to make this yearbook possible.

The 1964 *Auroran* staff wishes to thank the following for their co-operation: Varden Studio, The *East Aurora Advertiser*, The *Latest*, Miss Patricia Lewis, Mr. Joseph Garcia, Robert Sherat, Christopher Sugnet, Grant Hamilton.

PRODUCTION: Jeannie Stevens, Judy Hausauer, Sonja Halverson, Sharon Harris, Lynn Parrish, Libby Wheeler.

The National Honor Society is an organization to recognize those students who have excelled in the fields of character, service, leadership, and scholarship. The members have worked hard to achieve these high standards. It is hoped that membership in the Honor Society will lead them to

practice the above qualities in their future work and recreation.

Under the direction of our new advisor, Miss Rueger, the Sr. National Honor Society had an open house and tea for the present members and those of the past years.

The 1963-64 Cheerleaders underwent a big change this year when the original squad was divided into a Varsity squad and a Junior Varsity squad. The Varsity squad consisted of two Senior girls and five Juniors. The Junior Varsity squad consisted of five Sophomores. The new plan of a split squad has worked out well. At each sports event one Varsity cheerleader captained the Junior Varsity squad and one Junior Varsity occupied a position on the Varsity squad.

A big project undertaken by the cheerleaders this year was a large hoop constructed for use at the football game during Homecoming Weekend. All the pep rallies and dances given by the cheerleaders were successful and enjoyable.

School spirit was raised to a fever pitch to boost our fine teams to VICTORY!!!

Blue Devil, Sue Hovde.

MISS EVATT

We would like to extend our thanks to Miss Evatt. Her unselfish enthusiasm and long hours of supervision are greatly appreciated by the cheerleaders and the entire student body. She made an added effort to boost school spirit which is an essential part of our high school days and added an encouraging effort to our excellent teams.

The bombers finished this year with another perfect Division II record. Coach Fisher's proved to be one of the strongest of his career, but all hopes point to next year as an up-coming team. FISHER'S TEAMS have now won a total of 99 duel meets and have run their consecutive Division II wins to 73.

VARSITY BASKETBALL

"Jump it up, Steve, jump it up!!"

"E.A. take that ball away!"

The high scoring and superb playing techniques used by our fine Varsity basketball squad, left them ranking high in the Division II standings. Throughout the season the "Gunners" kept fans on the edge of their seats with fast breaks and brilliantly timed plays.

The keen shooting eyes of Senior Jim Bollin and Juniors Paul Vance and Steve Bartlett, put the three "Gunners" among the top level scorers in the E.C.I.C.

The Blue Devils added two more points toward the Moog Trophy by defeating Iroquois, in two very thrilling games.

The consistent scoring and rebounding of Barry Holtzclaw contributed toward a big percentage of E.A. baskets.

Bill Westfall proved an able and worthwhile addition to the team and he turned out a fine, impressive record.

Jeff Bowen also a regular, played well and constantly demonstrated his ability as a double-figures first stringer.

Six foot-four inch Fred Heerwagen added his height to assist and gather in rebounds for the "Gunners" this year.

Ed Madsen, Al Murray, Jim Brazill, Moses Kakande, and Terry Smith added their constant support and relief to the "Gunners" throughout the season.

The Blue Devil basketball team demonstrated admirable team spirit and true sportsmanship in all of their encounters, surely leaving an excellent impression on other teams in the league. Of course this is one of the basic objectives in the formation of such a skillful team, sportsmanship.

They're flat movin' out

The East Aurora Blue Devils completed a semi-successful defense of their Division II track crown. The E.A. Cindermen won all of their duel meets except one, in which they tied with the Division II Co-Champs, Sweet Home. The closeness with which these two teams were matched was clearly evident in the thrilling meet, which was decided only by the final relay. Although the score did not indicate it, E.A. showed some superiority. This meet was marked by several upsets, which cost E.A. heavily, but the fighting Devils still managed to grasp a tie.

The season was marked by several outstanding performances by Juniors and Sophomores, which gives a bright outlook for E.A. to repeat as Division Champs.

Although Graduation will not cause a serious deficiency in the E.A. squad, several record breaking performances were turned in by graduating Seniors: Victor Leitzke set a school and Division II record in the two-mile run, of 10 min. 14 sec., which stood as an E.C.I.C. record until late in the season; Bob Flygare set a school record for the 180 yard low hurdles, of 22.4 seconds. He also set an E.C.I.C. record in the 120 yd. high hurdles of 16.11, which survived the season; Jim Steckmeyer, E.A.'s giant shot-putter, surpassed the school record in that event with a heave of 50 ft. 1-2 in..

IN APPRECIATION

In appreciation for their years of faithful service at East Aurora High School, we wish to thank the following teachers for enriching the lives of all of us who have known them: Mr. R. Bruce McPherson, who came to East Aurora in 1960 and taught English 10 for two years, was administrative assistant for one year, and has been the Senior High School Principal for the past two years, will be attending the University of Chicago for his Ph D; Mr. Carlo Nisita, who has been an art instructor since 1934, is retiring; Mrs. Ruth Hamilton, who has taught Spanish and French I, II, and III since 1943 is retiring also; Mr. James O. Birdsall, who has been with the English department since 1956, has won a John Hay Whitney Fellowship and is taking a one-year leave of absence; Mr. Charles Sollinger, who has been with the Music Department since 1960, will be attending the University of Michigan for his Doctorate in Music.

"Lives of great men all remind us
We can make our lives sublime,
And departing, leave behind us
Footprints on the sands of time."
